### **WTBM Board Update to all Members**

- ⇒ The spa has been refurbished thanks to a lot of hard work by Jack Youra, assisted by Pete Wiegand and an anonymous donor who bought the paint.
- ⇒ We have a new pool services company. We thank Glenn DiMicco for helping the new pool company acclimate to our very old equipment.
- ⇒ Upcoming property improvements include improvements to the pump room that services the pool and spa, as well as resurfacing the tennis courts and adding pickleball courts.
- ⇒ Due to very high inflation in recent years, dues must be increased. Members will be asked to approve an increase at the July General Membership Meeting. Please make every effort to attend this important meeting.
- ⇒ Volunteers are needed for the Nomination and Election committees. We have received none to date. The Nominating Committee must be activated no later than September and its work completed no later than October 15th. The Election Committee needs three members who will conduct the election and must be activated no later than October. Contact a Board member to learn more about these committees and their responsibilities.
- ⇒ Volunteers are needed to form a Marketing Committee to find persons or organizations as potential candidates to rent the clubhouse. We need to increase our income. Please reach out to a Board member if you are interested.
- ⇒ If we are successful in starting the Marketing Committee and garner rentals from outside Williamsburg, we will need a rotating group of volunteers to supervise the activities.
