### **ATTENTION PLEASE – NOTICE OF A SPECIAL MEETING**

At the October General Membership meeting the Board and those Members in attendance discussed the Club budget at length. We expect to have a deficit when this fiscal year ends and certainly next year. In short, we must have more financial support either in the form of acquiring new members or increasing dues. For your information, dues have been kept at the same \$53 for more than ten years. This is to alert Members that the Board will discuss alternatives at the Annual Membership Meeting in December. That meeting will also be deemed a “Special Meeting” at which dues may be increased. We encourage your participation. FYI: Coupon books will not be available until a decision is made.

**Saturday, November 4, 2023 8:00 AM—2:00 PM**

Just a few days left to add to the goodies you are willing to send off to new homes. Take one last look through your closets and cupboards. Sort through those boxes full of decorations. Maybe it's time to share them with others and refresh your holiday collections. They could become someone else's treasures! Encourage your neighbors to participate—the more the better!! Let's make some extra holiday \$\$\$ and have some fun!!
