## Upcoming Event

COMMUNITY—WIDE

**YARD SALE!!**

**Saturday, November 4, 2023**

**8:00 AM—2:00 PM**

Now is the time to start fall cleaning. All those gently worn clothes, jewelry and accessories you don't wear anymore, the toys your children and grandchildren have outgrown, the tools you don't use anymore, the books you have already read and the DVD movies you already watched. The seasonal holiday decorations—both indoor and outdoor—you no longer have room for since you just bought some new things at the new home store or craft show! They could become someone else's treasures, and you could make some extra cash! Start now so you will have plenty of time to gather your items and price them to sell! Let's all join in the fun and see what happens!
